## **ANNEXURE A**

### **TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDERS TO COORDINATE ALL CONSULTANCY WORK FOR THE 25-YEAR REVIEW OF DEMOCRATIC GOVERNANCE AND SERVICE DELIVERY IN SOUTH AFRICA**

JANUARY 2019

#### **1. PURPOSE OF THE CONSULTANCY**

The Department of Planning, Monitoring and Evaluation (DPME) in the Presidency seeks to appoint an external service provider to serve as the overall coordinating mechanism for all the consulting agencies that have been appointed to provide technical support for the 25-Year Review Project.

The DPME hereby solicits bids from capable organisations, institutions and agencies to provide this overall coordinating service.

#### **2. BACKGROUND TO THE 25-YEAR REVIEW**

The **27<sup>th</sup> April 2019** will mark 25 years since the advent of democracy in South Africa. To celebrate this major milestone in the history of South Africa, the government of South Africa, in consultation with the citizenry, has commenced with the process of reviewing the 25-years of democratic governance and service delivery in South Africa. It is customary for the Presidency to direct the DPME to conduct reviews of progress with service delivery at each historical epoch of our democracy. The purpose of this project is to reflect on the journey to date, and review the achievements, challenges experienced, as well as actions taken to address these challenges since 1994. The 25-Year Review is therefore the occasion to assess how this hard won democracy has influenced the lives of ordinary South Africans. The review will open up hard debates about the journey of citizens through the new democratic dispensation.

Critical to this review is the extent to which the lives of historically disadvantaged people have improved or stagnated during the years of democracy, and what needs to be done over the next 25-years to permanently dismantle the apartheid legacy, and advance socio-economic development and prosperity for all South Africans, particularly the historically disadvantaged people.

During the course of 2018, National Government Departments and Premier's Offices, coordinated by the DPME in the Presidency, produced 25-year review reports. Consultations were also convened with different stakeholders through roundtables in October and November 2018, culminating in a National Stakeholder Consultation Conference on the 25-Year Review in December 2018.

In December 2018, the DPME appointed different external consultants to provide technical support to advance the 25-Year Review Report chapters towards finality. This report will be launched in May 2019, as part of the commemorations of 25-Years of Freedom, Democracy, Peace, Justice and Service Delivery.

In this context, where diverse consultants are working towards the same goal, namely the comprehensive and integrated 25-Year Review Report, an overall coordinating mechanism is required to steer this process towards the desired goals, seamlessly, within the required time frames, and within the allocated budgets,

#### **3. BROAD OBJECTIVE OF THE OVERALL COORDINATING MECHANISM**

To provide an overall coordinating mechanism for the consultancies providing technical support to the DPME for the 25-Year Review Report.

#### **4. SPECIFIC OBJECTIVES OF THE OVERALL COORDINATING MECHANISM**

- 4.1. Coordinate and manage a collective of External Consultants providing technical support for the 25-Year Review Project to government, working with the DPME leadership.
- 4.2. Secure the delivery of required Chapters of the 25-Year Review by each Consultancy within the time frames agreed to with the DPME.

- 4.3. Secure revision of Chapters of the 25-Year Review by each Consultancy within the time frames agreed to with the DPME, to address feedback received from the Presidency, the Executive and Civil Society formations consulted.
- 4.4. Ensure that Chapters of the 25-Year Review reflect specific content extracted from Provincial 25-Year Review Reports.
- 4.5. Provide quality assurance of the 25-Year Review Chapters produced
- 4.6. Work with both the Consultants and the authors of the Chapters of the 25-Year Review to secure consensus on the content of the Chapters.
- 4.7. Provide content editorial services
- 4.8. Ensure that the structure and content of the 25-Year Review Report (all Chapters) are seamless and coherent
- 4.9. Ensure that the Year Review Report (all Chapters) consistently use the same format and referencing style.
- 4.10. Synthesise and consolidate all chapters into one coherent final product (in collaboration with Chapter coordinators and external service providers).
- 4.11. Consultancy within the time frames agreed to with the DPME – to enable printing of the report.

## **CERTIFICATE OF INDEPENDENT BID DETERMINATION (SBD 9)**

- 1 This Standard Bidding Document (SBD) must form part of all bids<sup>1</sup> invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
  - (a) disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
  - (b) cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
