Non-financial (performance) information for the provincial departments of Agriculture – First Quarter 2017/18

Introduction

The tables below present consolidated first quarter preliminary datasets of performance information for the departments of Agriculture within provincial government. The information gives an overview of provincial departments' performance against predetermined objectives and targets set in the annual performance plans. In addition, the Heads of provincial Departments of Agriculture have provided official sign-off on the correctness of the data relating to each department. The relevant national department of Agriculture provided oversight of the data. The first quarter data is preliminary. The first quarter validated and second quarter preliminary data will be published at the end of the second quarter.

It is envisaged that the completeness and reliability of the information supplied by provincial departments for the sector will improve with the result that this information will become increasingly useful for holding provincial government accountable.
