**OF SOUTH AFRICA'S
DEMOCRACY**

(1994 - 2024)

ACKNOWLEDGEMENTS

30 years of Democracy, Partnership and Growth

The 30 Year Review Report was produced following the directions and guidance of President Cyril Ramaphosa and the Minister in the Presidency for Planning, Monitoring and Evaluation, Maropene Ramokgopa to document a story of South Africa at 30 years. It was possible through strategic leadership and oversight of the Director General of the Department of Planning, Monitoring and Evaluation (DPME), Dr. Robert Nkuna. The process was supported by the Forum for South African Directors General (FOSAD) under the leadership of Director General in the Presidency, Ms. Phindile Baleni.

The review process benefitted from contribution of national departments and Offices of the Premier in all provinces, drawing from sectoral and provincial reviews, research reports and programme data and reports, including the Population Census 2022, Development Indicators and the 10-Year Review of the National Development Plan (NDP).

Mr. Godfrey Mashamba led and managed the 30 Year Review Report Project, with the technical support of Dr. David Makhado, Ms. Mandisa Kitunka (Magwaza), Ms. Conny Motlanthe and Ms. Nqobile Sibiya, and the project support of Ms. Mmakgomo Tshatsinde. The South African SDG Policy Support Initiative, under a collaborative partnership between The Presidency and the University of Pretoria, has provided access to critical reviewers/ readers – thanks to the team led by Ms. Pulane Kole and Dr. Dominique Mystris.

Special mention goes to lead authors of various chapters of the 30 Year Review Report, the contributors from national departments and provinces as well as external reviewers and stakeholders consulted during the review process.
